Issued by Firstmac Limited ("Firstmac")

ABN 59 094 145 963 and Australian Financial Services and Australian Credit Licence 290600

**Effective Date:** 19 January 2026

This Target Market Determination (TMD) has been prepared in accordance with the Treasury Laws Amendment (Design and Distribution Obligations and Product Intervention Powers) Act 2019 (Cth) and associated Regulations.

TMDs are designed to assist issuers to ensure that the financial products they issue are likely to be consistent with the likely objectives, financial situation and needs of the consumers for whom they are intended (the target market) and to assist distributors to ensure that financial products are distributed to the target market.

This document does not provide a complete description of all product features, fees, or terms of the product. Consumers acquiring this product should carefully read the 'Loan Contract Terms and Conditions' before deciding whether to proceed with the product.

This TMD is general in nature and should not be construed as financial advice. Consumers should obtain independent advice prior to acquiring the product to ensure that it is appropriate for their particular objectives, financial situation and needs.

- Want a home loan where the interest rate and associated repayment amount can change at any time during the loan term.
- Want flexibility to make unlimited additional payments<sup>2</sup>.
- Want the ability to redraw extra payments made over the minimum amount<sup>2</sup>.

## Additional Product Attributes – Interest Only Repayment Option

This repayment option is likely to be appropriate for consumers within the target market who:

- Want the ability to pay interest only on the outstanding loan balance for the term of the interest only period.
- Understand that they may pay more interest over the life by not paying down the principal during the interest only period.
- Understand that repayments will revert to principal and interest at the conclusion of the interest only period.
- Understand that interest only repayments can only be made monthly.

## Attributes of a 100% Offset Sub-Account (optional)

This loan feature is appropriate for consumers within the target market who:

- May have additional funds and wish to use those funds to reduce the interest payable on their loan whilst retaining access to the funds.
- Want the balance in the sub-account to be offset against the amount owed on the home loan when calculating the interest.
- Want the availability of a Visa Debit Card to access those funds (refer to Visa Debit Card TMD).
- This feature is only available for variable interest rate options.

An offset sub-account is not available during the construction period.

## 3. Distribution Conditions

This product is designed to be distributed to consumers through the following channels:

- Firstmac accredited and licensed mortgage brokers (Direct Brokers),
- Mortgage brokers through Firstmac accredited Aggregators (Broker Channel); and
- Firstmac internal sales staff (Direct Retail Channel).

The distribution channels and conditions are appropriate because:

- Accredited mortgage brokers via the Broker Direct Channel and Broker Channel are subject to a professional duty to ensure that the Product is in the best interests of the particular consumer;
- Our application and approval process has controls in place to identify consumers who may fall outside the target market.

Prior to application, the distributor must confirm that the consumer:

- Meets the key eligibility listed above,
- Is seeking a residential construction loan and has requested a loan size, LVR, term, interest rate type and repayment option that are within the specified product attributes.
