

Target Market Determination (TMD)

MCCA Variable Rate Home Finance Facility

This Target Market Determination (TMD) has been prepared in accordance with the Treasury Laws Amendment (Design and Distribution Obligations and Product Intervention Powers) Act 2019 (Cth) and associated Regulations.

TMDs are designed to assist issuers to ensure that the financial products they issue are likely to be consistent with the likely objectives, financial situation and needs of the consumers for whom they are intended (the target market) and to assist distributors to ensure that financial products are distributed to the target market.

This document does not provide a complete description of all product features, fees, or terms of the product. Consumers acquiring this product should carefully read the Finance Facility Agreement Terms and Conditions' before deciding whether proceed with this product.

This TMD is general in nature and should not be construed as financial advice. Consumers should obtain independent advice prior to acquiring the product to ensure that it is appropriate for their particular objectives, financial situation and needs.

MCCA Variable Rate Home Finance Facility

Product Description	A variable rate home finance facility with no ongoing fees for customers who are looking for a home or investment.
Issuer	Firstmac Limited ABN 59 094 145 963 Australian Financial Services and Australian Credit Licence 290600
Effective date	9 December 2024
Target Market	
Needs and objectives	<p>A consumer wants a home finance facility for:</p> <ul style="list-style-type: none"> the purchase, construction or renovation of a home to occupy; the purchase, construction or renovation of a home to invest in; the purchase, construction or refinance of a green home; the purchase, construction or refinance of a green investment home; or refinancing an existing home finance facility.
Key Product Attributes	<ul style="list-style-type: none"> A variable rate home finance facility where the rate can change at any time during the term. Minimum finance facility amount of \$50,000. Maximum finance facility amount of \$2 million (or \$1.2 million for construction purposes). Principal and rental facility fee or rental facility fee only payments (up to 5 years). Weekly, fortnightly or monthly principal and rental facility fee payment options (monthly for rental facility fee only payments). Available for owner occupied or investment purposes. Flexibility to make unlimited additional payments. Maximum finance facility value ratio of 90%. Ability to redraw extra payments made over the minimum amount. Optional offset feature. Optional progressive drawdown feature. A minimum term of 15 years. A maximum term of 30 years. Fees and charges include: <ul style="list-style-type: none"> Settlement Fee; Government Fees; Discharge Fees; or Other fees and charges may apply as set out in the finance facility agreement.
Target Market for Offset feature	<ul style="list-style-type: none"> This target feature is appropriate to the target market that may have additional funds who may wish to use this to reduce the payments on their facility whilst retaining access to these funds. For consumers who want an optional 100% offset feature offset sub-account and Visa debit for an additional fee (refer to Visa Debit Card TMD). The optional offset feature allows the balance in the sub-account to be offset against the amount owed on the home finance facility when calculating the rate.
Target Market for Progressive Drawdown feature	<ul style="list-style-type: none"> For a finance facility with a construction purpose a progressive drawdown feature allows consumers to finance a new build or major renovation and only pay facility fee on the amount drawn until construction is completed.
